LORNA G. SCHOFIELD
UNITED STATES DISTRICT JUDGE

Re: United States v. Arthur Grande
18 Cr 712 (LGS)

Dear Judge Schofield:

On September 29, 2020, Your Honor sentenced Mr. Grande to time served and a 4 year term of supervised release with special conditions, including home incarceration and location monitoring for a period of 30 months. Mr. Grande was also ordered to participate in an outpatient treatment program approved by the U.S. Probation Department. Since Mr. Grande was sentenced by Your Honor, he has strictly complied with each and every condition of his supervision, including that he remain drug and alcohol free.¹ He has also been gainfully employed in the community at Leske's Bakery in Brooklyn since

¹ I have attached hereto for Your Honor's review a letter from Mr. Grande's outpatient drug counseling provider confirming his successful completion of treatment as of December 9, 2021.

Your Honor granted him permission to work there on March 26, 2021.

By this letter, I am respectfully requesting that the home incarceration and electronic monitoring conditions of Mr. Grande's supervised release be eliminated effective immediately. All other conditions of supervision shall, of course, remain in effect.

The U.S. Probation Department has consented to this request.

Respectfully submitted,

/JRF/
